When you recommend or even hire a Restoration Service make sure the company you hire is the experienced, qualified ServiceMaster Total Cleaning.

ABC's Extreme Home Makeover

Airing on October 19, 8pm

ServiceMaster Total Cleaning was able to be a part of helping another deserving family in need, but this time it will be aired on ABC's Extreme Home Makeover in October.

Not to give too much a way, the home was being "rebuilt" and upon removing the old roof a huge rainstorm came before the new roof was on. Our crew arrived at the home around 2:30 in the morning for set up and the home was dry within 8 hours. It was a awesome!

Total Construction

"One-Stop Shopping"

The goal and main focus at ServiceMaster Total Construction is to serve our customer as we restore their home or business to a pre-loss status with excellence and integrity. Many times this process goes further than just extracting water, drying, or cleaning a structure that has suffered water or fire damage. This process often times entails rebuilding the structure.

At ServiceMaster Total Construction Services we are not a restoration

responded to our call in a very prompt and timely manner. I would recommend ServiceMaster to anyone!"

What our customers say...

company that offers contraction services. We have made a conscious effort to create a separate and unique company whose main focus is total construction while yet being sensitive to the unique customer demands as a result of their catastrophic suffering.

We have a team of experienced builders who are licensed general contractors with the state and who have been in the construction industry for over 25 year.

At ServiceMaster Total Construction we provide a "one-stop shopping" approach to your restoration needs. A project manager will be assigned to your claim to help answer any and all questions you many have as he coordinates all necessary trades through the construction process.

Our unique Chronicle web system will allow you to log on to our computers and not only be able to contact us electronically but to see daily updates on your project. We will provide you with a calendar of events, photos, logs and estimates for your unique project.

With ServiceMaster Total Construction - No surprises, no mystery, one solution, one mind.
